学校介绍：

创办于 1883 年的北达科他大学(University of North Dakota-Grand Forks)简称 UND，位于北达科他州和明尼苏达州的交界处格蓝福克(Grand Forks)，历史久远，为北达科他州内最好的公立大学。UND 的专业学院分门别类，主要学院为护理学院(The College of Nursing)、医学健康科学学院(The School of Medicine and Health Sciences)、人文与科学学院(The College of Arts and Sciences)、法律学院(The School of Law)等等，提供了约 150 种以上不同专业领域的课程，供学生选修。

UND 位于美国中西部，其生活形态是非常典型的美国乡村生活，以农业为主，主要种植的农作物为小麦，另外有石油、煤炭业和制造业等。北达科他州的天气四季分明，变化极大，但空气十分的清新，夏天的平均温度为 19-25 度左右，随时可见一望无际的大草原景象，不是可见到许多当地的野生动物，十分壮观。冬天的平均温度为零下 16-零下 10 度左右，会下雪，甚至于严寒。

而格蓝福克是一个拥有居民约 50,000 人左右的典型大学城，居住在这里的居民，多半是教职员及学生等，学术气息浓厚，环境幽雅，拥有许多天然资源及休闲设施。在北达科他大学学习知识是一个不错的选择，没有加州的喧嚣、没有纽约的忙碌，在宁静之余沉淀自己，接受大自然的洗涤，更能专心在课业上念书。而且其学费低廉，因此也是许多国际学生选择的要素之一。

美国大学表现评估中心大学排名 175；《华盛顿月刊》

Attached are partner university (in-state tuition) exchange application materials for **undergraduate students** for one academic year. We have been receiving undergraduate students on partner university exchange for a few years now. Most of them are able to take

courses with all of our departments **EXCEPT medical school (nursing) and law school**.  
Schedule of classes for fall semester 2012 has not been posted yet, however, students can  
get an idea of classes being offered  
at <http://und.edu/academics/registrar/schedule-of-courses.cfm>

Since we have not received any graduate partner university exchange students as of today  
and due to a number of specific requirements by UND Graduate School, I would like to ask  
you to send me a list of possible courses that potential graduate exchange students are  
looking to take. I would need to work with the departments and Graduate School prior to  
proceeding to students' admission.
