

## Accommodation

Academic Hostel provides limited amount of places for exchange students. All applicants get an information after the application deadline when and where they have to pay the deposit. First come, first served.

## Living expenses

Tallinn offers a great value for your money, living expenses are lower than in most other EU countries. Student accommodation prices in Estonia start from as low as 200 EUR per month and go up to 300 EUR per month. Usually students enjoy a comfortable life with around 250 EUR per month for food. Each student can determine other expenses individually depending on their needs.

## Orientation Days

At the week before every semester TUT organises Orientation Days for new students and gives information about academic and practical matters, TUT library and Sports Centre, possibilities to spend free time in Tallinn and TUT etc.

## ESN TUT International Club

TUT IC tutors are happy, open-minded, friendly and helpful young people who are prepared to assist foreign students.

2015/2016

## Tallinn University of Technology (TUT)

- Public university with over 95 years of strong academic background
- Second biggest university in Estonia with around 13 000 students from over 80 countries
- A university with three main educational cores – engineering, natural sciences and social sciences
- Best research library in engineering and business fields in Estonia
- Modern award-winning campus (gallery [www.ttu.ee/ttucampus](http://www.ttu.ee/ttucampus))

### Degree programmes

TUT offers a wide variety of fully accredited degree programmes, which include both traditional and new fields of modern technology, social sciences, economics and business. Courses meet high academic standards and give a comprehensive overview of each field.

TUT offers programmes in Estonian, English and Russian. Exchange students are welcome to choose courses from all programmes available (adequate language skills required).

Thesis or project writing is possible only upon prior individual agreement with a supervisor at TUT. Exchange students cannot defend their thesis at TUT. ECTS credit system is used at TUT.
